

# Artificial Selection Phenomenon

Visit this [website](#). Read and watch the embedded video. List what you notice and wonder about them below.

NOTICE	WONDER
What do you notice?	What do you wonder about?
→ Lighter in the dark	→ Why does it switch the brightness of itself

1. Once you list your thoughts above, add your notices and wonders for **THE WEBSITE** to our class

by clicking your class period: [2nd](#), [3rd](#), [5th](#), [7th](#), [8th](#).

2. After visiting the Padlet and reading others' notices & wonders answer the question...

**Do you think this is a good idea for humans to genetically modify organisms?**

No it could upset the balance

3. Change the share settings and add this to your digital notebook!
  - a. Unit 7: Biological Change
  - b. Phenomenon
